

### **Dance Central Outside Choreographer's Contract/Policy**

- I understand and agree that my choreography becomes property of Dance Central.
- I agree to inform the studio principal of the music and costume choice to avoid any overlapping of other competition items.
- I agree to share the music before choreographing takes place.
- I agree that if I am not available to polish the choreography, ***only a Dance Central staff member will be allowed to do this.***
- I understand that teaching the choreography **at the studio** incurs a hire-age fee of \$15 per hour and will duly inform Dance Central of the hour(s) used.
- I will negotiate my fees directly with the parents/caregiver of the dancer and promptly pay the invoice from Dance Central to cover the studio hire-age cost.
- I agree to creating appropriate choreography suitable to the dancer's age, dancer's skill level and genre.
